FIRM Never-Turn Tight Top Mattress

LUCY | 7625

ECOTEX™ Soy-Based Foams
Provide Firm support and cushioning.

Fiber Pad Insulator System
Provides a layer of protection between steel coils and foam layers.

CertiPUR-US Certified Foams
The foams we use are certified by an independent laboratory to meet specific criteria for physical performance and low emissions.

Forest for Tomorrow
We replenish the wood used in our foundations by replanting trees in ecologically devastated areas each year.

700 Steel Continuous Coil

- Interlocking continuous coils provide even weight distribution, reduce motion transfer, and a cooler breathable support system.
- Provides a great balance between firm support and flexible cushioning.

**10-5
Warranty**

**5 Years Full
5 Years Limited**
